Dear Parent/Carer

Proposed changes to Oakwood Primary Academy Nursery

As you may know, Oakwood Primary Academy has two nurseries on site, a school nursery for children aged three and over and Oakwood Nursery for babies and children from the age of 6 months; this nursery is run by the school but registered separately with Ofsted.

Following a review of the arrangements, we would like to make some changes which will involve merging Oakwood Nursery with the school nursery. This means that the school and nursery will come under the existing school Ofsted registration.

The school currently has an age range of 3-11 and we would like to extend this to 2-11 to include our younger nursery children. However, these changes will mean that the nursery will only offer places to children aged 2 and over.

We would like to reassure parents that there will be no changes to staffing or to the quality of the nursery.

If you would like to comment on these proposals or have any questions, please contact Mrs Foyle or Mrs Attwater via the school office. This consultation will last until 15th October 2018.

Yours sincerely

Mrs Foyle
Headteacher

Headteacher: Jane Foyle
