This will be the page you will first see when opening the link, to book on to upcoming courses click on the orange box “book a course”. From here you can search for the relevant school but make sure you untick all the boxes apart from Breakfast/ lunch/ after school club for pupils. **When asked for for the school name or postcode use the postcode – BN220SS – or you will be directed to Oakwood school in Leeds!** It should come up with the school you’ve searched for at the top. If you click on the school, it will show all the courses we run there. Please see below an example screenshot of what the page should look like.
