

Year 5 PGL Trip:

Please could all children bring a disposable packed lunch, for example in a paper bag or plastic bag that can be thrown away once they have eaten their lunch.

Children will need to come to school dressed ready to take part in an activity as they will not go straight to the cabins before the activity starts so will not have the opportunity to change.

Due to forecast weather conditions we are advising that children bring extra layers of clothing and to wear two pairs of socks
