

Dear Parents / Carers

13/10/17

This week we moved on from our bear hunt story to learning about bears. We have compared real bears to teddy bears. In our Paragon work we have been thinking about our favourite things.

In phonics we have learned the sounds *g o c k*. We have also introduced the words *on, not* and tricky words *no, go* (*tricky words are where some letters are not making their usual sound- here 'o' is saying it's name*)

(Sounds covered so far- *s a t p i n m d*.)

Words introduced so far- *a, at, as, is, in, it, an, am, did, dad, and. I.*)

In Maths we used the numbers & numerals- zero, through to five to explore simple problem solving, early addition and the properties of squares and oblongs.

Please can you ensure homework and reading books come back to school by Wednesday so we can have everything ready to go out again each Friday.

Please try to encourage your child to leave their toys at home. It can be very upsetting to lose or break a toy at school.

Carolyn, Steph, Maxine, Christa, Nicky.
