

SECTION 3

The Safeguarding and Welfare Requirement: Children's behaviour must be managed effectively and in a manner appropriate for their stage of development and particular individual needs.

Oakwood Nursery

Bullying Policy

We committed to providing an environment for children that is safe, welcoming and free from bullying. Bullying of any form is unacceptable in our Nursery, whether the offender is a child or an adult. The victim is never responsible for being the target of bullying.

Everyone involved in the nursery, staff, children and parent/carers, will be made aware of the Nursery's stance towards bullying. Such behaviour will not be tolerated or excused under any circumstances.

The Nursery defines bullying as the repeated harassment of others through emotional, physical, verbal or psychological abuse. Examples of such behaviour are as follows:

Emotional: Being deliberately unkind, shunning or excluding another person from a group or tormenting them. For example, forcing another person to be 'left out' of a game or activity.

Physical: Pushing, scratching, spitting, kicking, hitting, biting, taking or damaging belongings, tripping up, punching or using any other sort of violence against another person.

Verbal: Name-calling, put-downs, ridiculing or using words to attack, threaten or insult. For example making fun of another person's appearance.

Psychological: Behaviour likely to instil a sense of fear or anxiety in another person.

Preventing Bullying Behaviour

The Manager and the staff will make every effort to create a tolerant and caring environment in the Nursery, where bullying behaviour is not acceptable. Staff will discuss the issues surrounding bullying openly, including why bullying behaviour will not be tolerated and what the consequences of bullying behaviour will be.

Dealing with Bullying Behaviour

Despite all efforts to prevent it, bullying behaviour may occur on occasion and the Nursery recognises this fact. In the event of such incidents, the following principles will govern the Nursery's response:

- All incidents of bullying will be addressed thoroughly and sensitively.
- Children where possible will be encouraged to immediately report any incident of bullying that they witness. They will be reassured that what they say will be taken seriously and handled carefully.
- Staff have a duty to inform the Manager if they witness an incident of bullying involving children or adults at the Nursery.
- If a child or a member of staff tells someone that they are being bullied, they will be given the time to explain what has happened and reassured that they were right to tell.
- The individual who has been the victim of bullying will be helped and supported by the staff team. They will be kept under close supervision and staff will check on their welfare regularly.
- Where bullying behaviour persists, more serious actions may have to be taken, as laid out in the Suspensions and Exclusions policy.
- A member of staff will inform the parents/carers of all the children involved in a bullying incident at the earliest possible opportunity. If appropriate, staff will facilitate a meeting between the relevant parents/carers. At all times, staff will handle such incidents with care and sensitivity.
- All incidents of bullying will be reported to the Manager and will be recorded in the Incident Record Book. In the light of reported incidents, the Manager and other relevant staff will review the Nursery's procedures in respect of bullying.
