

SECTION 3

Safeguarding and Welfare Requirement: The provider must take all necessary steps to keep children safe and well

Oakwood Nursery

Missing Children

Our Nursery has the highest regard for the safety of the children in our care. Staff will always be extremely aware of the potential for children to go missing during sessions.

Even when all precautions are properly observed, emergencies can still arise. Therefore members of staff will undertake periodic head counts, especially at the transition points between sessions (in addition to the registration procedures set out in the Arrival and Departures policy). If for any reason a member of staff cannot account for a child's whereabouts during a session at the Nursery, the following procedure will be activated:

- The member of staff in question will inform both the Manager and the rest of the staff team that the child is missing and a thorough search of the entire premises will commence. The staff team will be careful not to create an atmosphere of panic and to ensure that the other children remain safe and adequately supervised.
- The Manager/ Deputy will nominate two members of staff, to search the area surrounding the premises. All staff will be extra vigilant to any potentially suspicious behaviour or persons in and around the Nursery.
- If after 15 minutes of thorough searching the child is still missing, the Manager/Deputy will inform the police and then the child's parent/carer.
- While waiting for the police and the parent/carer to arrive, searches for the child will continue. During this period, other members of staff will maintain as normal a routine as is possible for the rest of the children at the Nursery.
- The Manager/Deputy will be responsible for meeting the police and the missing child's parent/carer. The Manager/Deputy will co-ordinate any actions instructed by the police, and do all they can to comfort and reassure the parents/carers.
- Once the incident is resolved, the Manager/Deputy and the staff team will review relevant policies and procedures and implement any necessary changes (paying particular note to the relevant provisions of the Nursery's Site Security and Risk Assessment policies).

- All incidents of children going missing from the Nursery will be recorded in the Incident Record Book, and in cases where either the police or social services have been informed, Ofsted will also be informed, as soon as is practicable.
