

### SECTION 3

**Safeguarding and Welfare Requirement:** The provider must take all necessary steps to keep children safe and well

## Oakwood Nursery

### Visits and Outings

**We believe that visits and outings play an important and enriching role in the programme of activities that we provide for children. However, during such events, the safety of children remains paramount.**

Prior to a visit or outing, if logistically possible, a member of staff will carry out an exploratory visit of the proposed destination so as to pre-empt any potential difficulties.

The Manager will ensure that a thorough risk assessment has been carried out prior to the proposed visit of an outing, according to the provisions set out in the Risk Assessment policy. This should include consideration of the journey and any transportation involved. If a prior visit is not possible, the Manager will write to the venue requesting all relevant information and a risk assessment statement where available.

Children, who are old enough, will be talked through any potential safety hazards and told to remain with staff at all times.

#### **Parental Consent**

No less than two weeks before a proposed visit or outing, we will send a letter and the Visits and Outings Form to parents/carers giving them detailed information about the proposed event. This will include a full programme of activities, any costs involved, an outline of any journey involved and the mode of transport being used as well as approximate arrival and departure times.

Parental consent is needed for all off-site visits and outings. The Manager will take a photocopy of the signed Visits and Outings Forms on the trip while the original will be stored in the Nursery's records.

Parents/carers have the absolute right to withhold consent for a proposed visit or outing. No child who does not have a signed consent form will be allowed to participate.

#### **During visits and outings**

On visits or outings, the staff will adhere to appropriate staff to child ratio based on initial risk assessment completed.

- Children will remain under close supervision at all times.
- The Manager will ensure that a full First Aid kit is on hand, in compliance with the relevant provisions of the Health, Illness and Emergency policy.
- Two designated members of staff will keep mobile phones with them at all times and their numbers will be circulated to all parents/carers in advance of the visits and outings. These numbers will also be left at the Nursery in case of an emergency.
- A register will be taken at the beginning, middle and end of the visit or outing. Additionally, regular head counts will be taken by staff.
- A list of all members of staff and children participating in the visit or outing, along with relevant mobile phone numbers, will be left with the member of staff left on duty at the Nursery's premises .

## **Volunteers**

On visits and outings we will involve and actively encourage any family member or carer to participate in the visit or outing. Volunteers will not be left with children unsupervised by a member of staff at any time.
