Remembering	Understanding	Applying	Analysing	Creating	Evaluating
Please see your class teacher for a Maths based challenge to complete.	Write a biography about an explorer full of facts about them and their journey.	Write a journal as if you were one of the crew travelling with your chosen explorer.	Research about a modern day explorer, such as Tim Peake and find out what discoveries they have made.	Create a model mode of transport that an explorer used e.g. a ship or a rocket	Make an explorer tent in your house or garden. Imagine you're an explorer! Take some photos/ draw a picture and write about your adventure.
Find a map of the world online and draw the routes of three famous explorers.  Label the countries and draw a key explaining which explorer did each route.	Explore your local area and draw a map showing how to get from your home to school.	Create a timeline showing when important discoveries were made by explorers.	If you were an explorer, where would you like to explore?  (The sea, new lands, outer space, new planets)  Why? What would you like to find?	Draw and label three new (imaginary) plants, animals, islands or worlds that your explorer might have seen.	If we didn't have explorers that discovered new parts of the world, what do you think our lives would be like? Why?
