Dear Parents and carers,

What a great start to the new year !
The whole school have been working on team-building, social skills and problem solving this week. There is a really calm atmosphere around the school and the children have settled back so quickly.

Our new PE teacher Mr Thornton has worked with every class and is already looking into a new and extended range of club activities. You will find out more about this in the next couple of weeks.

Whether there is an election or not it no longer impacts on Oakwood as following a long battle we will no longer be used as a Polling Station which is fabulous news for all of us.

The new markings on the junior Playground have been a real hit with the children and I have enjoyed my duties as all children have been playing so purposefully. Lunchtimes and breaktimes are another important time to develop social skills and Mr Thornton is on hand too to encourage physical games. Our next big project is a re-development of the Infant area.
