Dear Parents and Carers,

What a busy Paragon and trip week ! As usual all of our children were fantastic performers and very keen to share their knowledge in our shows and open afternoons. I have learnt a lot about wombats and have decided not to have one as a pet. Mr Broccoli workshops have been wonderful and for two days the office area has been filled with delicious stir-fry smells. Year 1 visited Drusillas and all children and staff had a wonderful time and I expect all slept well last night.

*During half term can I ask all parents to check their children's jumpers/cardigans/slipovers and PE kits. We have a few that are fully named but have gone missing and I would be really grateful if you could all check that you have your child's and not someone else's (it is easy for the children to muddle them up). A headlice check would also be good as we seem to have a few crawlies around at the moment and it would be great to start term 6 with clear heads !*

**Just a quick reminder that we do believe that our school should be a 'clean air' environment so I would like to remind parents that we do not allow smoking or vaping (e-cigarettes) on the site and bad language is not acceptable at any time.**

Have a lovely half-term  
and make the most of all  
the Eastbourne sun-
